No 115.

HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,

With reference to the General Order in Council of India, No. 7, dated 6th June last, relative to the grant of Furlough to Europe to well-conducted and deserving Non-Commissioned Officers, I have to request that the particular attention of the Commander-in-Chief may be directed to the opinion of Her Majesty's Government on the subject, as expressed in paragraphs 29 to 31 of my Despatch to India, No. 373, dated

\* To Madras only. 30th October last, copy\* of which is herewith forwarded for your information and guidance, and to desire that the Furlough granted be strictly limited to the few special cases contemplated in paragraph 30 of that Despatch.

2. Her Majesty's Government have established for such cases the following Rules:—

The leave of those men whose state of health may render a change of climate advisable, who are considered deserving of the indulgence, and who may be fit to do duty with Invalids and discharged men on the voyage from India, is to be limited to a short leave to visit their friends in Europe.

The Furlough granted under Medical Certificate, as absolutely necessary, will expire in England at the period of one year from the date of quitting India.

Every man whose state of health has not sufficiently recovered at the period when he is called upon to return, will undergo a medical examination as to the probability, within a reasonable period, of his being fit for further duty in India.

Those men who may be reported unequal to further service with the Regiment or Department to which they belong will not be permitted to return to duty, but will be dealt with under the Regulations, and in no case will any man be allowed to return to India with a view to his being placed upon the Invalid Establishment in that country.

No period of leave passed by any man out of India will be allowed to reckon as service for Pension.

It is to be distinctly understood that no man enlisted under the Limited Service Act be allowed to come to England during his first period of service.

The only allowance to be paid to men who obtain leave of absence will be the rate of pay for the time being for men of the same rank in Her Majesty's British Army and Good Conduct Pay, when in possession of that reward.

3. With reference to the Extract from a General Order by the Commander-in-Chief at Bombay, dated 30th July last,

The Commander-in-Chief is pleased to announce that passage to Europe will be provided for the families of Non-Commissioned Officers obtaining Furlough under the provisions of G. O. C. No. 2 of the 6th June 1859.

quoted in the margin, I have state that, in conceding the grant of Furlough, with a free passage to and from Europe to deserving

Non-Commissioned Officers of Her Majesty's Indian Army, whose health requires a change of climate, it is not the intention of Her Majesty's Government that passages at the public expense should also be provided for the wives or families of those men; but, with the view of assisting such married men as may desire to bring their wives and families with them, you are authorized to grant them an allowance of (£20) Twenty Pounds.

I have, &c.

**Notice.**

In a Notification by the Punjab Government, dated the 28th December 1859, it was intimated that of the extensive waste lands existing in the Kangra District, a considerable portion was well adapted for Tea Cultivation. Parties desirous of securing possession of waste land were invited to negotiate with Village Communities, and were promised the aid of an Officer, who would be deputed by Government to facilitate the transfer. Subsequently, in order to obviate the difficulties it was anticipated that Settlers might experience in purchasing lands direct from the Zemindars, the Local Authorities were authorized to purchase waste land for Government, in view to its re-sale to Settlers. It is hereby notified that about 10,000 acres of land in the Kangra and Pabun Valleys are now in the hands of Government. Of this quantity about 6,000 acres will be sold at Kangra on the 1st July next, by Public Auction, in Lots not exceeding 200 acres each, at certain upset prices, which, together with a detail of the Lots, will be advertized on or about the 1st June next.

**NOTIFICATION.**

In Notification by the Punjab Government, dated the 26th December 1859, it was intimated that of the extensive waste lands existing in the Kangra District, a considerable portion was well adapted for Tea cultivation.

Parties desirous of securing possession of waste land were invited to negotiate with Village Communities, and were promised the aid of an Officer who would be deputed by Government to facilitate the transfer. Subsequently, in order to obviate the difficulties it was anticipated that Settlers might experience in purchasing lands direct from the Zemindars, the Local Authorities were authorized to purchase waste land for Government, in view to its re-sale to Settlers. It is hereby notified that about 10,000 acres of land in the Kangra and Palum Valleys are now in the hands of Government.

Of this quantity about 6,000 acres will be sold at Kangra on the 1st July next, by public auction, in lots not exceeding 200 acres each, at certain upset prices, which, together with a detail of the lots, will be advertized on or about the 1st June next.

## Legislative Council of India.

THE 26TH MAY 1860.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honourable the Governor General on the 21st May 1860, and is hereby promulgated for general information:—

Act No. XXI of 1860.

*An Act for the Registration of Literary, Scientific, and Charitable Societies.*

WHEREAS it is expedient that provision should be made for improving the legal condition of Societies established for the promotion of Literature, Science, or the Fine Arts, or for the diffusion of useful knowledge, or for Charitable purposes; It is enacted as follows:—

I. Any seven or more persons associated for any Literary, Scientific, or Charitable purpose, or for any such purpose as is described in Section XX of this Act, may, by subscribing their names to a Memorandum of Association, and filing the same with the Registrar of Joint-Stock Companies under Act XIX of 1857, form themselves into a Society under this Act.

II. The Memorandum of Association shall contain the following things, (that is to say)—

The name of the Society.

The objects of the Society.

The names, addresses, and occupations of the Governors, Council, Directors, Committee, or other governing body to whom, by the Rules of the Society, the management of its affairs is entrusted. A copy of the Rules and Regulations of the Society, certified to be a correct copy by not less than three of the Members of the governing body, shall be filed with the Memorandum of Association.

III. Upon such Memorandum and certified copy being filed, the Registrar shall certify under his hand that the Society is registered under this Act.

There shall be paid to the Registrar for every such registration a fee of fifty Rupees, or such smaller fee as the Governor General of India in Council may from time to time direct; and all fees so paid shall be accounted for to Government.

IV. Once in every year, on or before the 11th day succeeding the day on which, according to the Rules of the Society, the Annual General Meeting of the Society is held, or if the Rules do not provide for an Annual General Meeting, in the month of January, a list shall be filed with the Registrar of Joint Stock Companies, of the names, addresses, and occupations of the Governors, Council, Directors, Committee, or other governing body then entrusted with the management of the affairs of the Society.

V. The property, moveable and immovable, belonging to a Society registered under this Act, if not vested in trustees, shall be deemed to be vested, for the time being, in the governing body of such Society, and in all proceedings, Civil and Criminal, may be described as the property of the governing body of such Society by their proper title.

VI. Every Society registered under this Act may sue or be sued in the name of the President, Chairman, or Principal Secretary, or Trustees, as shall be determined by the Rules and Regulations of the Society, and in default of such determination, in the name of such person as shall be appointed by the governing body for the occasion; provided that it shall be competent for any person having a claim or demand against the Society, to sue the President or Chairman, or Principal Secretary or the Trustees thereof, if on application to the governing body some other Officer or person be not nominated to be the defendant.

VII. No suit or proceeding in any Civil Court shall abate or discontinue by reason of the death of the person, by or against whom such suit or proceedings shall have

been brought or continued, dying or ceasing to fill the character in the name whereof he shall have sued or been sued, but the same suit or proceeding shall be continued in the name of or against the successor of such person.

VIII. If a judgment shall be recovered against the person or Officer named on behalf of the Society, such judgment shall not be put in force against the property, moveable or immoveable, or against the body of such person or Officer, but against the property of the Society. The application for execution shall set forth the judgment, the fact of the party against whom it shall have been recovered having sued or having been sued, as the case may be, on behalf of the Society only, and shall require to have the judgment enforced against the property of the Society.

IX. Whenever by any Bye-law duly made in accordance with the Rules and Regulations of the Society, or if the Rules do not provide for the making of Bye-laws, by any Bye-law made at a General Meeting of the Members of the Society convened for the purpose, (for the making of which the concurrent votes of three-fifths of the Members present at such Meeting shall be necessary), any pecuniary penalty is imposed for the breach of any Rule or Bye-law of the Society, such penalty, when accrued, may be recovered in any Court having jurisdiction where the defendant shall reside, or the Society shall be situate, as the governing body thereof shall deem expedient.

X. Any Member who may be in arrears of a subscription which according to the Rules of the Society he is bound to pay, or who shall possess himself of or detain any property of the Society in a manner or for a time contrary to such Rules, or shall injure or destroy any property of the Society, may be sued for such arrears or for the damage accruing from such detention, injury, or destruction of property in the manner hereinbefore provided. But if the defendant shall be successful in any suit or other proceeding brought against him at the instance of the Society, and shall be adjudged to recover his costs, he may elect to proceed to recover the same from the Officer in whose name the suit shall be brought, or from the Society, and in the latter case shall have process against the property of the said Society in the manner above described.

XI. Any Member of the Society who shall steal, purloin, or embezzle any money or other property, or wilfully and maliciously destroy or injure any property of such Society, or shall forge any deed, bond, security for money, receipt, or other instrument, whereby the funds of the Society may be exposed to loss, shall be subject to the same prosecution, and if convicted shall be liable to be punished in like manner, as any person not a Member would be subject and liable to in respect of the like offence.

XII. Act No. XXII of 1860.

I. The tracts of country described in the Schedule to this Act are hereby removed from the jurisdiction of the Courts of Civil and Criminal Jurisdiction, and from the control of the Offices of Revenue constituted by the Regulations of the Bengal Code and the Acts passed by the Governor General of India in Council and the Legislative Council of India, as well as from the system of procedure prescribed for the said Courts and Offices by the Regulations and Acts aforesaid; and no Act hereafter passed by the Legislative Council of India relative to the constitution or procedure of the said Courts and Offices shall be deemed to extend to any part of the said tract, unless the same be specially named therein.

Fort William, the 26th May 1860.

No. 557 of 1860.—His Excellency the Governor General in Council has great satisfaction in publishing for general information, the subjoined copy of a General Order, dated Canton, 5th of April 1860, issued by Major General Sir C. Van Straubenzee, K. C. B., Commanding the Troops in China, on the occasion of the return to India from that Command of the three Regiments of Bengal Native Infantry named in the margin, after the completion of two years' service in China.

These Regiments volunteered for service in that Country at the time when the body of the Bengal Native Army swerved from its allegiance and rose in arms against the State. They were again entrusted with their Arms, and the Governor General in Council allowed them to proceed to China in full reliance on their loyalty.

That reliance has been entirely justified by the exemplary conduct of these Regiments in China; and the Governor General in Council while publicly recording circumstances so creditable to these Corps, tenders to Brigadier W. R. Corfield, and to the Officers of the 47th, 65th, and 76th Regiments, the cordial acknowledgments of the Government of India, for having maintained these Corps in the state of order and discipline described by Major General Van Straubenzee.

These Regiments will proceed to the Stations assigned to them; and will, under the orders of His Excellency the Commander-in-Chief, enjoy the full benefit of additional furlough to their homes, which forms one of the privileges of Foreign Service.

Canton, April 5th, 1860.

#### DIVISION AFTER ORDER.

His Majesty's 70th Bengal Native Infantry having embarked, and the 65th being on the eve of returning to India, the Brigade of Bengal Native Infantry in China will cease to exist.

Major-General Sir Charles Van Straubenzee takes the opportunity of recording his cordial thanks to Brigadier Corfield for the ready support he, not only as a Brigadier, but as next Senior Officer in the Command, has at all times afforded him; and also for the order and high state of discipline he, with the assistance of the Officers Commanding Corps, has maintained in his Brigade, against which there has not been a single complaint on the part of the Inhabitants of this vast

City during the two years they have been quartered here.

The Bengal Brigade left India Volunteers for service in China, at a time when their former comrades of the late Indian Army were in a state of open mutiny and revolt, and their conduct here has been such as to prove the sincerity of their loyalty to their Sovereign, the Queen of England.

Their obedience to orders, respect for their Officers, and uncomplaining conduct under difficulties incident to their position, in a land where the customs are so utterly foreign to their own, merit the Major-General's praise.

The Major-General congratulates all on their return to India, and assures them they carry with them his best wishes.

I have had under my consideration in Council the Rule under which Officers of twenty-two years'

Indian Service are entitled to retire on the pay of their Regimental rank. This privilege, which is granted to Officers under the joint operation of the Regulations of 1796 and 1851, may in some cases be rendered inoperative by the Regulation of 1801, which precludes them from claiming for retirement the benefit of rank which they may attain after the expiration of twelve months from the date of their landing in England. It has therefore been resolved to rescind this restrictive Rule, so far as it affects the cases of Officers who, after twenty years' Indian Service counting for retiring pension, may return to this country on leave, and to allow such Officers to claim for retirement the benefits of any rank they may attain prior to the expiration of their twenty-two years' service.

## Notice.

IN a Notification by the Punjab Government, dated the 25th December 1859, it was intimated that of the extensive waste lands existing in the Kangra District, a considerable portion was well adapted for Tea Cultivation. Parties desirous of securing possession of waste land were invited to negotiate with Village Communities, and were promised the aid of an Officer, who would be deputed by Government to facilitate the transfer. Subsequently, in order to obviate the difficulties it was anticipated that Settlers might experience in purchasing lands direct from the Zemindars, the Local Authorities were authorized to purchase waste land for Government, in view to its re-sale to Settlers. It is hereby notified that about 10,000 acres of land in the Kangra and Palum Valleys are now in the hands of Government. Of this quantity about 6,000 acres will be sold at Kangra on the 1st July next, by Public Auction, in Lots not exceeding 200 acres each, at certain upset prices, which, together with a detail of the Lots, will be advertized on or about the 1st June next.
